News for Immediate Release

### The Highcliff Grill wins AA Rosette

Located on the top of the West Cliff, the Highcliff Grill at the Bournemouth Highcliff Marriott Hotel has just been honoured with an AA Rosette.

Following a magnificent transformation and the design of a new concept for the restaurant, the Highcliff Grill offers a contemporary yet classic seafood grill with exceptional service, complemented by unrivalled sea views. You can enjoy a menu featuring the freshest sea food, succulent steaks and all time classics, created by our award winning Executive Chef, Eugene Cartwright.

"This recent investment means that the Bournemouth Highcliff Marriott Hotel and the Highcliff Grill can once again confirm it's number one position in our area and beyond. The high-end location overlooking the sea, the fantastic appearance with an inspired and engaged team to serve our guests are a winning combination." Michael Regenhardt, General Manager.

The AA Rosette proves the Highcliff Grill as an excellent restaurant that stands out in our local area, where the food is prepared with care, understanding and skill, using good-quality ingredients.
