Making your Mummy a yummy lunch!

"Highcliff Marriot Hotel have produced a Mother's Day Recipe, so why not treat mum to good old home cooking; Roast Chicken Sunday Dinner and Lemon Posset"

"Clyde Hollett, Executive Sous Chef at the Highcliff Grill, has prepared special recipes and tips for children and dads to cook a delicious lunch on Mother's Day.

Timing is everything and when it comes to cooking, the trick is organisation. Prepare things in advance, even the day before!

Cooking should be a joy not chore, when it comes to potato or carrot peeling or any other chopping, try to have it all done before you start. Throughout the recipes there are special 'Chef Notes' which should help cooking become fun rather than frantic!

As an alternative to cooking at home, leave the washing up to us and join the Marriot to celebrate Mother's Day at the award-winning Highcliff Grill. Enjoy a welcome aperitif followed by a delicious three course lunch including a gift for all Mothers for only £24.50 per person."
